Dear Parents and Caregivers

PRINCIPALS COMMENTS

The third term is rapidly coming to an end and what a busy time it will be between now and then.

The senior school are busy practicing very hard for their production which is being performed during the last week of the term. I have had a few sneak previews and it is looking tremendous. Tickets for the evening performances on Tuesday and Thursday are selling fast so if you would like to see the show you need to be in quick as audience numbers are restricted due to fire regulations.

We have a large number of school readers that have been sent home but unfortunately have never been returned. Each of these books have to be replaced and obviously there is a cost associated with that. If you have any school books, either readers or library books, could you please return them to school, no questions asked. Your assistance with this would be very much appreciated.

The netball season has finished for another year and I would like to pass on my sincere thanks to Karen for her wonderful organisation again this year. The season has run very smoothly thanks to Karen's hard work and commitment. Thank you also to all the coaches who did a wonderful job in teaching these future Silver Ferns many new skills. Many thanks to all the parents who supported our teams throughout the year also it is hoped next year that we will be able to outfit all our netball teams in brand new uniforms. Something to look forward to.

Well done to all the children who took part in the inter school cross country last week. All children who took part performed extremely well and represented their school with a great deal of pride. Well done.

Enjoy the rest of the week.

Go the All Blacks!

Yours in Learning
John Cubitt,
Principal
